Product Features

- Push button control
- Airflow 760m3/hr
- 3 Speed
- Ducted air operation
- 1X aluminium filter
- 2X LED lamps
- Grease collector
- Connection: 10amp

LED lamps

LED lamps are known for low energy consumption and long life, making our lamps an efficient source of light.

3 speeds

With 3 speeds you control the level of air you need to remove different levels of odours. For example, if cooking food with a strong odour like fish, the highest level of speed can be selected so odours are removed quickly.

Superior extraction

A 760m3/hr extraction rate easily removes any type of odours, making this rangehood perfect for open plan living areas.

Easy to clean

The stainless steel and glass finish, dishwasher safe aluminium filter, and grease collector makes cleaning easy.

Quiet operation

This rangehood is quiet whilst in operation, so whether used during the day or at night you'll never be interrupted.

Design

This rangehood has been designed to compliment all of the cooking appliances in the Bellissimo range.

900mm Stainless steel and curved glass canopy rangehood

These dimensions are a guide only, please refer to product manual for up to date dimensions and product information

Dimensions	Width	Height	Depth
Cut-out (mm)	901	NA	480
Product (mm)	900	NA	480

Install Range Hoods in accordance with the manufacturer's instructions. Technika recommends that all Range Hood clearances be a minimum of 650mm to a maximum of 750mm (between the top of the cooking surface and to the underside of the rangehood). Distance may be reduced to 600mm to align with the AGA code.

READ THE INSTRUCTION BOOKLET BEFORE INSTALLING AND USING THE APPLIANCE.

The manufacturer will not be responsible for any damage to property or to persons caused by incorrect installation or improper use of the appliance. The manufacturer is not responsible for any inaccuracies, due to printing or transcription errors, contained in this handout. In addition, the appearance of the figures reported is also purely indicative.

The manufacturer reserves the right to make changes to its products when considered necessary and useful, without affecting the essential safety and operating characteristics.

Technika constantly seeks ways to improve the specifications and designs of their products.

Whilst every effort is made to produce up to date literature, this document should not be regarded as an infallible guide.

Actual product only should be used to derive cut out sizes.

All Technika Appliances must be installed by a qualified person/s with adherence to the relevant electrical, plumbing and AGA codes, with compliance being issued as required by state or national legislation.

Additionally all Technika Upright cookers must have chains installed correctly in adherence to the relevant AGA, and plumbing codes by the Licenced installer.

For maximum effectiveness and efficiency all rangehoods should be installed with the use of ductwork, by a licenced installer with adherence to the relevant state and national building codes and regulations.

All Technika appliances are for Domestic use only, and must be installed by a licence installer into Domestic Applications only, without exception and to the required Authorities guidelines. Any installation outside of this will VOID warranty. Alfresco areas are not a Domestic application.
