

## Gas on Glass Cooktop, 90cm

Black Glass

Cook with the flair and flame of gas, with this large cooktop that gives you room to cook multiple dishes at once.

- Five burners, including wok burner for high heat cooking
- Single surface cast iron trivets for easily sliding pots from burner to burner
- With flame failure safety
- Designed to pair with a Haier black wall oven

### DIMENSIONS

Height **98 mm**

Width **860 mm**

Depth **510 mm**

### FEATURES & BENEFITS

#### Matching design

The gas on glass cooktop matches with the wider Haier family of appliances, pairing well with a black wall oven.

#### Intuitive control

With electronic ignition, and intuitive dial controls.

#### Flame failure safety

A flame failure device turns off the gas if the flame is accidentally extinguished, for your safety.

#### A joy to use

Cast iron trivets form a flat surface, making it easy to slide your pots and pans across the cooktop as you create a delicious meal.

#### Rapid heating and control

Master high heat cooking with the triple ring wok burner, or use a smaller burner for low simmer control.
